

Miona Jewels

April, May, June 2020

We would like to take a moment to reach out to all of you to express our deepest appreciation for your support these last few months. We have been so blessed with how you have all rallied around us and have supported us through these challenging days. You have shown your support in many ways including the parade (which brought us all so much joy), treats for staff and residents, and encouraging us as we face these difficult days. Your prayers have been felt by each staff member and resident and we have felt them when times have gotten difficult and we can never repay you for this comfort. We look forward to starting to get back to a life that resembles "normal" and can't wait to share this with you. Thank you for trusting us with your loved one and their care and for allowing us to serve them during this tricky time. Please keep the prayers coming as we face our new "normal" and figure out a way to navigate through the coming days.

Our staff wrote words of encouragement on hearts placed in our hallways.

Some of our C.N.A.s and LPNs wore special t-shirts showing they are all ESSENTIAL WORKERS.

THANKS FOR BEING AWESOME

We want to thank our families, friends, & community for showing their love and support during these past few months. You have given us donuts, cupcakes, ice cream, pizza, cookies, snacks, drinks, face masks & extenders and so much more.
